When Ray Costelloe met creative, innovative chef and social entrepreneur, Simon Boyle he was fascinated by his passion and dedication to The Brigade Charity. Ray decided that CCE Group may be in a good position to be able to help. Having such a good relationship with our Trade Partners, when Ray approached Gram (UK) Ltd, they kindly donated a compact counter refrigerator, three sections with stainless steel work top. Cuisinequip also generously donated an Eco kitchen induction cooker. CCE manufactured the bespoke mobile hot pass.

Ray Costelloe said "This is a great industry and charities like The Brigade Bar & Bistro deserve all of our support and CCE Group, Gram (UK) Ltd and Cuisinequip are pleased to be in a position to help such a great cause".

The Brigade Bar & Bistro together with Beyond Food are very passionate about inspiring people to a life beyond homelessness.

The Brigade Bar & Bistro is a truly remarkable restaurant with equally remarkable staff, a training kitchen which provides apprenticeships to help the homeless develop skills to find long term employment in the hospitality industry.
